Content Guidelines

Publication Style

The OHAA Connect is the flagship publication of the OHAA featuring a curated mix of content aligned with a central theme. It is intended to be a valuable resource for OHAA members and the broader oral health community and encompasses a readable and engaging style including educational, people-centred and uplifting content.

The publication is not an academic journal, however may include educational/scientific content with minimal references.

Content Type	Limits/Imagery
Feature or long articles (special care, wellbeing, career)	<ul style="list-style-type: none"> • 800 words maximum (equates to up to 4 pages in the finished design) • Can include references – in numbered style • No article imagery necessary • Supply author image with article content if preferred
